Subject: Consol Energy 3rd quarter

Dear Mrs.Grubaugh-Littig,

The 3rd quarter data for Consol Energy is 98 percent done and in the pipeline. The question I'm having is I can't find how to enter some of the information. I found all but 2 wells on the website. T1U and T2U I have in my notes to check, but I couldn't find where to enter them. If you could let me know either by email or phone I sure would appreciate it.

Thanks

Peter Behling
